Other products	59.7	89.4		71.5															

(2) Business Details

Product Lines	Trend	Main Products
Audio visual products	There were negative effects for reasons related to days of the week, namely, the total number of Saturdays, Sundays and holidays was one fewer compared to the previous year. Even so, sales grew this year because sales had decreased sharply in the previous year, reflecting a decline in reaction to a last-minute increase before the consumption tax hike.
